Inspiring design, Manufacturing possibilities

## About Paneltec.

Paneltec provides aesthetically pleasing and safe façade products to the construction industry in New Zealand.

Our innovative and complimentary range of façade finishes allows the specifier to choose the best product to meet their design needs.

To ensure a consistent and timely supply to our dedicated installer network, we are quickly building stock here in New Zealand.

Our range of highly tested and proven products meets the growing need for safe, compliant cladding solutions within the New Zealand market not just for today, but also the future.

## About this Colour Chart.

Paneltec is proud to provide a stunning collection of colours, inspired by items of beauty, value, and appeal.

This colour chart displays the wide range of colours offered within the Indurabond and Induracore G2 products.

Colours shown are as accurate as possible, however due to the limitations of the printing process and lighting changes we recommend requesting a product sample in your preferred finish.

Paneltec is able to match almost any finish and colour required.
